

Dear Parents and Students,

Summer is just around the corner and we are excited to share the SDFAS Summer reading lists. Reading over the summer offers a wonderful opportunity for students to explore new worlds and ideas. It's also a fantastic way for them to keep their language skills sharp and ready for the next school year.

French Reading Lists	English Reading Lists
Elementary (1st-5th) FR	Elementary (1st-5th) ENG
6th Grade FR	6th Grade ENG
7th Grade FR	7th Grade ENG
8th Grade FR	8th Grade ENG

In Math, in Middle School, here are the French and US teachers' recommendations:

<p>How to join Ms. Smith's Khan Academy class for summer work to prepare for the upcoming middle school math class::</p> <ol style="list-style-type: none">1. Go to khanacademy.org/join2. Enter your class code listed below for the appropriate class.and press "Add".3. If you don't already have an account, press "Create a new account". Enter your date of birth, then sign up by creating a username.4. Enter your grade and course. Now you're ready to start learning! <p>Link for incoming 8th Graders: https://www.khanacademy.org/join/KZMU9325</p> <p>Link for incoming 7th Graders: https://www.khanacademy.org/join/TYGCNH77</p> <p>Link for incoming 6th Graders: https://www.khanacademy.org/join/NDBWJB8M</p>	<p>For those students entering 7th and 8th grade, Mr. Vidal recommends reviewing the chapters that they studied this year to refresh their memory of the concepts learned.</p> <p>If they want to look ahead to future lessons, they can work on additional chapters for the upcoming year using their website: http://controledemaths.com/</p>
